- 3 Learning & Development Solutions**
- 4 Executive and Leadership Coaching**
- 5 Psychometric Assessment**

Face to Face Classroom Training

Our experts have been receiving daily industry insights from the EMEA region for well over a decade.

Along with leading global associations and academies, we've used this information to adapt our teachings to regional needs. You'll benefit from an exceptional learning experience that will boost your competencies according to the most required standards of today.

And not only that...

In fact, when opting for LEORON, you're choosing 60+ attractive destinations, hundreds of premium venues and learning from prominent global experts in 15+ industries. Have a look at the future you; have a look at LEORON.

Our training approach includes:

- Fluid lectures by authoritative global mentors
- Contemporary AV and printed learning content
- Simulated exams for each topic and exam solutions
- Learning exercises and best practices from the field

Advantages of Public Courses

Comprehensive

Wide range of dates and locations to accommodate your preferred schedule.

Networking

Meet with leading names from across the industry.

Certified

All our courses are certified by leading world academies, such as ASQ, LSBF, PMI, IIA, HRCI, APICS, ILM, IACCM and many more.

Established by Experts

World expert trainers that engage you in participative and cooperative training.

Attractive Destinations

Choose from one of our 60 global destinations, such as: Dubai, Abu Dhabi, London, Paris, Jonkoping, Riyadh, Almaty, Barcelona...

LIVE Virtual Training

With online learning expanding throughout Academia and beyond, we have implemented our Live Virtual Training to stretch your learning experience past the boundaries of location – presentations are interactive, conducted live at a scheduled time throughout the course, mimicking our public sessions both in content and quality.

By logging into a virtual classroom, students participate in an interactive course, using our audio-visual online training platform. Our blended learning approach combines virtual classroom methods with online activities to form an integrated instructional approach. Upon successful completion, you can earn the appropriate designation, as well as learning credits and LEORON certificate of attendance.

Benefits

LIVE Virtual Training

Simple Set-Up

Easy registration through email.

Interactive

Live video interaction among participants and instructors.

Built-in chat to exchange messages individually or with the group.

Engaging

Knowledge retention with in-session activities.

Live Broadcasting

Students see PowerPoint slides in a split-screen to follow along with the instructor.

Tech Support

Dedicated host to ensure that everything runs smoothly.

Convenience

Attendees can join training sessions from their mobile or desktop device.

Course Content Sharing

Learning materials and additional reading resources, case studies and exercises available for all participants as PDF.

In-House Courses

SEE WHY TEAMS OF ALL SIZES ENJOY OUR TRAINING SOLUTIONS.
The Next One Can Be Yours.

Fully customized according to your needs!

Time, Venue, and Content Entirely Up To You

Our in-house programs are meant for clients who choose to train their people, in their location of choice, at their preferred schedule. We'll fly our trainers and materials to your premises, securing you a custom-made, cost-efficient learning experience. We'll even break down an in-house and let you choose further:

-  **Off-The-Shelf**
-  **Customized**
-  **Bespoke**

Benefits of In-House Courses

Lower Investment

In-house group training is a cost-effective solution and helps optimize your training budget.

Flexibility

Training sessions are set according to your time/location preferences.

Adaptable

Trainer is picked by the client and trainees to fit the exact proficiency level of the group.

STA Strategic Talent Acquisition

Exam Preparation Course

NASBA, ATD, HCI, HRCI, SHRM Credits

COURSE OBJECTIVES

This two-day course moves beyond the trans-actional elements of making the right hire and provides you with deep expertise in the five pillars of Talent Acquisition strategy: Align, Segment, Brand, Pipeline, and Assess & Select.

ALIGN: Define and implement Talent Acquisition strategies to meet business goals and support organizational culture.

SEGMENT: Determine organizational gaps in critical roles to more quickly impact the bottom line.

BRAND: Define an Employee Value Proposition that attracts highly qualified candidates.

PIPELINE: Develop a channel management strategy to fill gaps with the right people at the right time.

ASSESS & SELECT: Identify, develop, and measure candidate potential for success.

You'll participate in a strategic business simulation to practice assessing an organization's current situation, working with teams, and making decisions based on business challenges. You'll also create a customized action plan that supports on-the-job implementation, complete with tools based on proven methodologies.

The ANSI accreditation is an internationally recognized mark of quality that assures employers can have confidence that certificate holder has completed the prescribed course of study. The accreditation process follows ISO/IEC 17011, the International Standard that defines quality third-party accreditation practices.

ASSOCIATION FOR FINANCIAL PROFESSIONALS

The Association for Financial Professionals (AFP) is the professional society committed to advancing the success of its members and their organizations. AFP established and administers the Certified Treasury Professional and Certified Corporate FP&A Professional credentials, which set standards of excellence in finance. Each year, AFP hosts the largest networking conference worldwide for over 6,500 corporate finance professionals.

Skillsoft is an American educational technology company that produces learning management system software and content. With 180000 courses, videos and books with the largest catalog in IT, Business and Leadership skills, and Compliance training, SkillSoft helps democratize learning with powerful cloud-based tools and unmatched enterprise-wide smarts and skills. Like the business customers, SkillSoft is always evolving – making sure individuals, teams, and enterprises have exactly what they need to unleash their edge.

The Association of International Product Marketing and Management (AIPMM), founded in 1998, promotes worldwide excellence in product management education and provides value to its individual members, corporate members, strategic partners and sponsors through valuable content, training, education, certification and professional networking opportunities.

Every individual has the potential to create change, whether in their life, their community, or the world. The transformative power of education is what unlocks that potential. Yet, access to high-quality education has been a privilege of the few. Back in 2012, edX realized it was a time for a seismic shift in learning. From the tried and true to the leading edge. From "for some" to "for all." By opening the classroom through online learning, edX empowers millions of learners to unlock their potential and become changemakers.

From education and certification to benchmarking and best practices in Supply Chain Management, ASCM (previously known as APICS) sets the industry standard. ASCM develops people, people improve supply chains, supply chains improve companies and the whole world economy benefits.

A worldwide Professional Management organization with members in several countries, hosting certification training and offering our exclusive board certification designations to candidates who meet the high standards in the field of Procurement, Purchasing, Supply Chain Management and Operations.

The Association for Talent Development (ATD) is the world's largest association dedicated to empowering professionals to develop the talent in their organizations. With a commitment to fostering the growth of managers, trainers, instructional designers, performance consultants, workplace learning professionals, and more, the ATD empowers professionals in the field of talent development. Through their extensive network and resources, members gain access to personalized training, valuable educational materials, and opportunities to acquire in-demand skills.

The Association of Senior International Project Managers™ is a worldwide Professional Management organization with members in many countries hosting and organizing certification training worldwide and offering our exclusive board certification designations to candidates who meet the high standards in the field of Project Management.

With individual and organizational members around the world, ASQ has the reputation and reach to bring together the diverse quality champions who are transforming the world's corporations, organizations and communities to meet tomorrow's critical challenges. ASQ provides the quality community with training, professional certifications, and knowledge to a vast network of members of the global quality community.
