Face to Face Classroom Training

Our experts have been receiving daily industry insights from the EMEA region for well over a decade.

Along with leading global associations and academies, we've used this information to adapt our teachings to regional needs. You'll gain an exceptional learning experience that will boost your competencies according to the most required standards of today.

And not only that...

In fact, when opting for LEORON, you're going for an opportunity that lets you choose among 60+ attractive destinations and hundreds of premium venues, helps you meet and network with leading professionals from the region, and learn from today's most prominent global experts in 15+ industries. Have a look at the future you; have a look at LEORON.

Our training approach includes:

- Fluid lectures by unchallenged global mentors
- Contemporary AV and printed learning content
- Simulated exams per each topic and exam solutions
- Learning exercises and best practices from the field

Advantages of Public Courses

Comprehensive

Wide range of dates and locations that enable you to choose according to schedule.

Networking

Meet with leading names from across the industry.

Certified

All our courses are certified by leading world academies, such as ASQ, LSBF, PMI, IIA, HRCI, APICS, ILM, IACCM and many more.

Established by Experts

World expert trainers that engage you in participative and cooperative training.

Attractive Destinations

Choose from one of our 60 global destinations, such as: Dubai, Abu Dhabi, London, Paris, Jonkoping, Riyadh, Almaty, Barcelona...

Kahoot!

Enjoy gamified learning, assessment tools, and better engagement with our Kahoot! – powered content.

LIVE Virtual Training

Benefits

LIVE Virtual Training

Simple Set-Up

Easy registration through email.

Interactive

Live video interaction among participants and instructors.

Built-in chat to exchange messages individually or with the group.

Engaging

Knowledge retention with in-session activities.

Tech Support

Dedicated host to ensure that everything runs smoothly.

Live Broadcasting

Students see PowerPoint slides in a split-screen to follow along with the instructor.

Convenience

Attendees can join training sessions from their mobile or desktop device.

Course Content Sharing

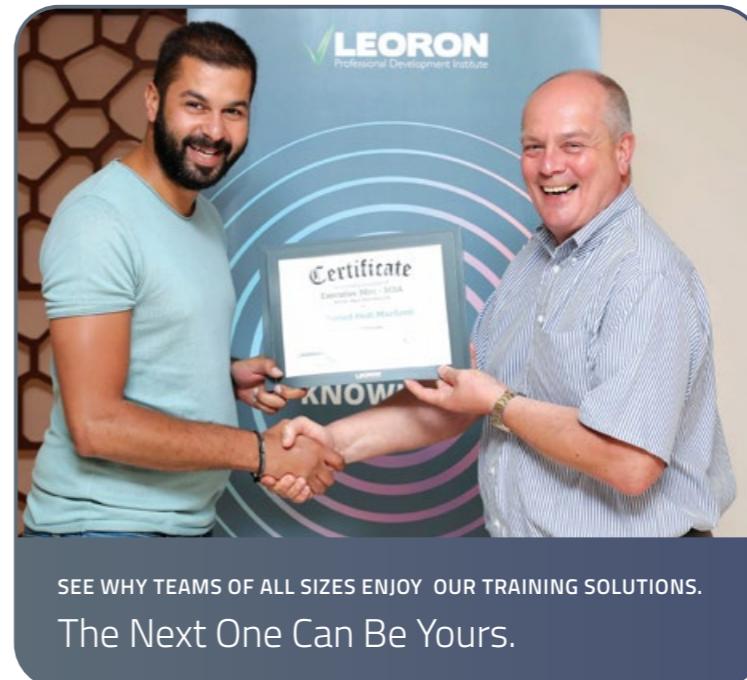

Learning materials and additional reading resources, case studies and exercises available for all participants as PDF.

With online learning expanding throughout Academia and beyond, we have implemented our Live Virtual Training to stretch your learning experience past the boundaries of location – presentations are interactive, conducted live at a scheduled time throughout a week, mimicking our public courses both in content and quality.

By logging to a virtual classroom, students participate in an interactive course, using our audio-visual online training platform. Our blended learning approach combines virtual classroom methods with online activities to form an integrated instructional approach. Upon successful completion, you can earn the appropriate designation, as well as learning credits and LEORON certificate of attendance.

In-House Courses

SEE WHY TEAMS OF ALL SIZES ENJOY OUR TRAINING SOLUTIONS.
The Next One Can Be Yours.

Fully customized according to your needs!

Benefits of In-House Courses

Lower Investment

In-house group training is a cost-effective solution and helps optimise your training budget.

Flexibility

Training sessions are set according to your time/location preferences.

Adaptable

Trainer is picked by the client and trainees to fit the exact proficiency level of the group.

Custom-Made

Training is tailored according to your employees' specific needs.

Time-Effective

Onsite or offsite individual coaching sessions and monitoring of change in behavior.

Significant

Well-adjusted to latest global industry standards and business requirements.

Time, Venue, and Content Entirely Up To You

Our in-house programs are meant for clients who choose to train their people, in their location of choice, at their preferred schedule. We'll fly our trainers and our materials to your premises, securing you a custom-made, cost-efficient learning experience. We'll even break down an in-house and let you choose further:
